

Days of the Week in Spanish

All 7, starting with lunes · never capitalised · all masculine

Spanish	Pronunciation	English
lunes	LOO-nés	Monday
martes	MAR-tes	Tuesday
miércoles	MYER-ko-les	Wednesday
jueves	HWEH-bes	Thursday
viernes	BYER-nés	Friday
sábado	SAH-ba-do	Saturday
domingo	do-MEEN-go	Sunday

Three rules: the Spanish week starts on **lunes**, not Sunday · day names never take a capital letter · use **el** for one day (el lunes = on Monday) and **los** for every week (los sábados = on Saturdays).
