

# Months of the Year in Spanish

All 12 · lowercase like the days · mostly straight from Latin

| Spanish | English  |
|---------|----------|
| enero   | January  |
| febrero | February |
| marzo   | March    |
| abril   | April    |
| mayo    | May      |
| junio   | June     |

| Spanish    | English   |
|------------|-----------|
| julio      | July      |
| agosto     | August    |
| septiembre | September |
| octubre    | October   |
| noviembre  | November  |
| diciembre  | December  |

Dates go day-first: **el 5 de mayo de 2026**. "In January" = **en enero**. Months are masculine and never capitalised.
